

Cadet event overview

The screenshot shows the 'SJAG Events' web application. On the left is a navigation menu with items: Home, Find duties, My duties, My profile, Manage events, Youth admin panel, Admin panel, and Logout. At the bottom of the menu, it says 'Software developed by James King PRE-RELEASE SOFTWARE'. The main content area features a header with the St John Guernsey Charity logo and 'SJAG Events' text. Below this is a banner image of three people in green uniforms with the text '31 Events'. Underneath the banner are three tabs: 'Duties', 'Cadets', and 'Events'. The 'Events' tab is active. Below the tabs is an 'Events' section with an 'Event name:' input field and a 'Submit Query' button. Below the input field is a grid of event tiles. The first two tiles are green and each has a '-1' in the bottom right corner. The next three tiles are grey and each has a '1' or '2' in the bottom right corner. Below the grid are five more grey tiles, partially visible.

The 'Cadet event overview' page lists all events which have been marked as Cadet-friendly (as of V0.25.3). Events shown on a green tile are upcoming, while those on a grey tile have passed.

Clicking on a tile will take you to the 'Youth admin event view' page.
